Director's Notes

HAPPY NEW YEAR!

I hope everyone had an enjoyable Christmas.

As we start the New Year, we end my rein as Director, so this will be my last set of Director Notes. I would like to thank all the people who guided me through the last two years. I am sure there are a few people who are glad it's over. However, I did enjoy the experience of being director and I would like to encourage other members to give it a try.

I look forward to the Banquet on January 29th, which is on a Sunday evening starting at 5:00. It's at the same place as last year, The Charcoal Grill located at 15375 West Greenfield Avenue. It's always an enjoyable time when we reminisce the events of the past year, so please bring your memories as we celebrate the Don Miller "Make Your Own Fun Awards."

Your director,

Mike Mudler

Christmas Party - 2011

Santa once again joined us for our annual Christmas Party to spend time with the boys and girls. Smiles were abundant, pictures were taken and goodie bags given out. The number of children attending this year appeared to be fewer than in year's past, which allowed him to spend time with some of the "older" boys and girls.

As far as the food goes, it was fabulous! To those ladies that once again took care of the preparation and presentation to make this happen, we thank you!

We thank Santa and all those that made the party enjoyable!

2012

As we look to the New Year, we wish nothing but the best for our fellow Chevrolet Club members.

- ◆ Simple and low cost restorations
- ◆ Low gas prices
- ◆ Lastly, the best of health!

Needs brake work
\$500

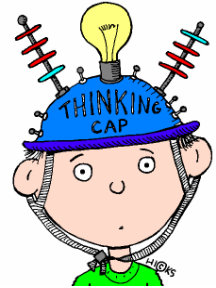

The car was my grandfathers and I have owned it since the 1980's. I have all the parts that had been taken off for cleaning and/or restoration. I love the car and it breaks my heart to sell it, but I feel it's the right thing to do right now. I am sacrificing it for \$500.

GAG GIFTS

Time is running out to think about those silly things that took place with your fellow Club

members this past year. Whether it be from last year's banquet, the 50th Anniversary Meet, the Tri Tour or any of our other events, please bring a story or something interesting to present at our banquet in January.

What year in Chevrolet history was it?

Power Brakes, windows and seats are available for the first time.

The 30 millionth Chevrolet was produced.

Trucks came with a one piece windshield changed from a two piece the year before.

See the answer on the last page.
