CHEVROLET

Director's Notes

It is official, again. The BEST BAKER'S AWARD goes to the Wisconsin Region people that brought delicious desserts to our annual Dessert Day. While we consumed the sweets, our members shared some more of their Chevy stories.

The April meeting was our last indoor meeting until Fall. There were sign-up sheets available for our summer activities. See the Bow Tie for the list of events. It has been mentioned at recent meetings that the parades and car shows provide the snacks and refreshments for our meetings, as well as funds for the banquet. We need everyone to help at the parades and car shows.

Our next outing is our Annual Fish Fry. We will meet at Kohl's in Sussex (look for old cars and that is the meeting place). Our Activity person will provide maps for our scenic tour to – not uptown Ashippun but "Old Ashippun." The meal is family style both chicken and fish, with fries, potato pancakes. It is \$16 per person, which includes the tax and gratuity. If you didn't sign up please call Bob at 262-246-6186 and leave a message (in case he is in the garage.)

I received an email from Mary James that the original block of rooms has been filled for the Middle West Meet. There are more rooms available until May 21. So if you haven't reserved

your room, please call. Also, a reminder that if you plan to attend the banquet at the Meet you must have a reservation thru Thursday checkout or you will be sleeping in your car.

I also received information that the Hensel auction will be a TWO day auction starting on Friday, August 4th – Saturday, August 5th. So mark your calendars if you plan to attend. Bob was an original member of our Club.

See you at the Fish Fry.

Your director, *JoAnn Swanson*

2017 Tri-Tour

This year's tri-tour will be hosted by the Packerland Region and will be held August 25th – 26th. The hotel will be the Hilton Garden Inn located in Kimberly, WI. Call 920-730-1900 and either mention VCCA or Packerland when making your reservation.

Chevy Club on Tour

CRUISE NIGHT TO PRIBNOW'S MAPLE INN

May 12th
N887 WI-67, Ixonia

We had such a great meal the last time we were there so we are heading back to Pribnow's Maple Inn. Come join us for our first outdoor event of the year and partake in a short cruise and a great meal of fish and chicken.

If you opt to meet us there instead of joining us on the cruise, be sure to let Bob know as he will take a head count at Kohl's.

Extra Extra!

Flyers for the Andrew and Griffin Shows are expected to be available at the Cruise Night / Fish Fry. These are **ONE OF OUR MOST POWERFUL** advertising methods for our shows. Please pick some up to distribute. If you are unable to attend this event, please contact Tom Gawronski or Kyle Oberdorf to get some for distribution.

Lambs Farm Show

Located just over the Illinois boarder, Lambs Farm will be holding their 5th Annual car show on Sunday, June 4th. Doors open at 9:00 a.m. Register online:

Mother's Day!

1967 Chevrolet Pickup

The 1967 Chevy trucks led truck design into a new era. Leaner and cleaner in every line, the new models appeared lower and longer – somehow managing to look both car-like and rugged at the same time. Their large, rounded wheelhouses added a design touch evocative of several popular GM cars of the era. The '67s were more durable than ever, and were to their core tough machines designed first of all to get the job done. Many features of the new pickup – and the Suburban that shared its styling – were designed to appeal to the still relatively small, but growing, number of customers seeking comfortable and capable trucks for recreational use or personal transportation.

1969 Chevrolet Camaro

Providing a spectacular grand finale to the first-generation (1967 – 69) Camaro, the freshly restyled '69s raced through a year of unprecedented exhilaration. Chevy's hot four-seat sportster was turning up at the head of the pack everywhere, it seemed. The Z28 was headed for a Trans-Am racing championship, several dozen specially produced ZL-1 aluminum-engined Camaro coupes were providing thunderous thrills at drag strips, and a specially detailed RS/SS 396 Convertible popped up just in time to pace the 1969 Indy 500. No, the 1969 Camaro would never become just another used car. The spirit of the now-iconic '69 is subtly evident throughout the forward-looking 2010 Camaro.

Falls MEMORIALFEST Saturday, May 27th

Menomonee Falls is holding their second annual Car Show in conjunction with vendors, art on the walk, lucky ducky derby, live music, food and refreshments. The show starts at Noon.

Car saving hints from Mobilheat 915

Shut off engine whenever you must park several minutes. An idling motor in some cars uses up to a quart of gasoline in two ten minute stops.

YOU HAVE TO LAUGH

The man pulled over to the side of the road when he saw the police lights in his rear view mirror. "How long have you been riding around without a tail light?" asked the officer. "Oh, no!" screamed the man, jumping out of the car. "Calm down, it isn't that serious" said the officer. "Wait'll my family finds out." "Where's your family?" "They're in the trailer that was hitched to the car!"
