## Director's Notes

Thanks to Gene and Jane for planning our Friday Night Fish Fry at Lakeview in Oconomowoc. We always have a great turnout for this event, despite the Wisconsin weather. Someday it will be sunny and warm, the weatherman promises.

Our next outing is to the EAA in Oshkosh with the Packerland Region. It should be a great time.

Please plan on coming to and helping at the Andrew Show. Kyle does a lot of work to make this fund raiser a success for the Club. Then it is the 4th of July and Lions Daze.

It was good to hear that Darlene's surgery went well and that she is almost ready to go back to work.

Our sympathy to Rita and Tom on the loss of Rita's father.

Your director,  
*Bob Swanson*

## Andrew Chevrolet Show

### Reminder

The Andrew Chevrolet Show will take place on June 26<sup>th</sup>, the Sunday after Father's Day. As usual we can always use help at registration and for assisting with parking cars. If you did not sign up to help, see Tom Gawronski the day of the show and he will see where we need help. For those that have not assisted before, there will be members there that can show you the ropes so come on out and help your Club!

We hope to see you there!

## 1003 Household Hints and Worksavers from Mobilheat

### No. 905: Cars that have automatic transmissions

These should be pushed, instead of towed, when the need arises. If the engine starts with the transmission in either low or drive range, it is apt to accelerate into the back of the towing car.
