Director's Notes

Just a reminder to all members that the Andrew Chevrolet Show is June 28th. All members are asked to help, since it is a major fund raiser for the club. It's easy work and the time goes quickly. We need help with registration and parking vehicles. Again, thanks to Kyle for doing all the planning, setting up, getting the flyers and everything else.

I want to thank our Club members that helped at the 39th Middle West Meet with the Field Entrance. As always it was a great meet. A lot of planning goes into one and then the show begins. The Packerland Region did an outstanding job under the direction of Ron and Darlene Kaderabek. The tours were great, food, good time to see old friends and Jo even found some new places we haven't been to.

Congratulations to Kyle Oberdorf for bringing home the GOLD. He took Best of Show for HPOCF. Congratulations, again, Kyle. Other winners from our club were Sondra Ferguson, Cecil Parker, Gene Casperson, John Romppainen and Bill Bargholtz.

July 4th is the Brookfield Parade and we are Number 6. Let's get together after at Maxim's in Brookfield. July 12th is the Sussex Lions Daze Parade with a get-together at Culvers after.

Tom Gawronski was again able to secure the Bergstrom Show. Tom, Mike Z and I met with the new General Manager, Dan Swift, and everything is set for the show on August 16th from 9 a.m. – 3 p.m. Flyers are available.

Your director, *Bob Swanson*

Andrew Chevrolet Show

We had beautiful weather for our annual show. Kyle once again outdid himself and, with all the help from our membership, things went very smoothly. We registered approximately 80 cars, trucks and motorcycles. We always hope for more but we were up against a lot of other shows in the area. Again, thanks to everyone that assisted in making this event a successful one.

Happy 4th
of July!!!

Middle West Meet Recap

By: JoAnn Swanson

The Wisconsin Region was well represented at the 39th Middle West Meet in Door County. Many arrived on Sunday and started renewing friendships. Monday was busy helping with field entrance, having our cars checked and pictures. Monday night was hospitality night with a presentation to Door County and all the sights to enjoy. There was Wisconsin cheese, crackers, veggies.

Tuesday morning we were off on a tour to a Farmers Market, apple orchard and lunch at the Log Den. If you ever go to Door County again and haven't eaten at the Log Den in Egg Harbor, be sure to stop – a very unique restaurant. The owner even dished up our soup. Back to the Landmark for more field entrance and judging seminar. It was an open night.

Wednesday was more car polishing and primping with the cars before judging. The judges were treated to breakfast and given their vehicle assignments. The ladies got to sleep in and then the Ladies Luncheon and a good time to meet with friends from other meets. We were treated to a Fashion Show by some of the shops in Egg Harbor. The costume judging was also held at the Luncheon. In the afternoon there was a Director Meeting held by Mary James from our area and Jim Amos from the Colorado area. Wednesday was dinner on our own and then there was entertainment back at the restaurant. Piano Man, Fred Beyer, told us we would know all of the words to the songs and he was right. His piano was built into the front end of a car. He performed Ragtime, Rock Dixieland, Jazz and Oldies.

Thursday was another great tour and a lunch at Jim Olson Chevrolet in Sturgeon Bay with an open afternoon for more tours and shopping. Thursday night was the awards banquet. Friday was the farewell breakfast and then off to Home.

This year's awards banquet in January should be interesting with Gag Gifts. One of the luckiest people in the club is Marilyn, she won money. We learned who the shoppers in the group are. Goats aren't allowed on the roof if it rains. Gene Schneider knows everyone in the room! This is the first Middle West Meet where 3 National Board members were in attendance – Mary James, VCCA President, Jim Amos, VCCA Treasurer and Franklin Gage VCCA Secretary.

Next year we will be gathering probably on Tuesday in Lake Tahoe.
