## Director's Notes

Thanks to everyone that drove in our 4<sup>th</sup> of July Parade in Brookfield and the Sussex Lions Daze Parade. Our Club was represented in both parades and a nice group went out to eat afterwards. Earl and his girls were all dressed in red, white and blue. (I love to tease Earl).

A unique situation happened at the Sussex Parade. All the shiny Chevys were lined up double with Dale Lemminger in his red (F- - D) in the back. Dale said it was like being Santa in his sleigh and eight shiny Chevys ahead (maybe pulling the Red F- - D?)

Next on the summer line up is the Hensel auction. The viewing is on August 4<sup>th</sup>, with the Auction on August 5<sup>th</sup>.

Make sure that you have your reservations made for the Tri-Tour, hosted by the Packerland Region. Hilton Garden Inn, Kimberly, WI 920-730-1900. Friday August 25-27. We always have a great time.

The Griffin Chevrolet show is planned for SATURDAY, September 16<sup>th</sup>. We need everyone's help!

Your director, *JoAnn Swanson*

## WELCOME

Say hello to our newest members, Bob and Muriel Mack. They are the proud owners of a '55 Bel Air Convertible. We look forward to seeing you soon!

12838 N. Colony Drive, Mequon 52991

414-841-8033

And a belated birthday to Bob in July!

## Griffin Chevrolet Show

We have agreed to try our luck in hosting a Saturday show this year in hopes of drawing a larger number of vehicles. The thought is that there are fewer shows on a Saturday and this way the Griffin dealership will have more help on hand to assist them the day of the show. Having the show on Saturday also prevents a conflict with any NFL football games.

As always, we need members to attend the show, assist at the registration table and direct cars to park. Please join us.

Let's hope we have some fantastic weather and a great turn out of members and registrants.

### POSSIBLY IN THE SPOTLIGHT?

Our fellow members, Kyle Oberdorf and Tom Gawronski, were recently approached at the Andrew Car Show by a photographer that takes pictures for Eckler's Automotive. If all goes well, they will have their vehicles go through a photoshoot and be highlighted in one of their parts catalogs.

Can your Chevy say CHEESE!

### Parades

Everybody loves a parade, right? Well some of our members do as they came out to take part in the Brookfield 4<sup>th</sup> of July parade and the Sussex Lions Daze parade. Thank you to all that came to participate!

### Sunshine

Sondra Ferguson is undergoing shoulder surgery. We wish her a speedy recovery so she can get back behind the wheel!

### **Car saving hints from Mobilheat 931**

Inspect tires weekly for cuts, snags, imbedded glass and nails. Have a vulcanized repair made at once if a flaw is found. Even minor cuts tend to grow deeper. Water and grit get in the flaws and eventually destroy the cord structure inside the tire.

### **Just for laughs**

A motorist runs a red light and is photographed by an automated police camera. In the mail, a short time later, he receives a photo of his car committing the infraction and a citation for \$60. Instead of paying the fine, the motorist mails the police department a photograph of three 20-dollar bills. Several days later he gets a letter back from the police department. Inside is a photograph of a pair of handcuffs.

### More Wisconsin fun

Many of you may have watched Happy Days, which aired from 1974 – 1983 and was set in Milwaukee. What you may not have known, or remembered, was that Hank Aaron appeared as himself in one episode. What a thrill that must have been for the cast of the show.
