Director's Notes

Two more successful Summer events are now behind us thanks to all of you that lent a hand. The Bergstrom Car Show ended with almost one hundred cars registered and proved to be a nice day weather-wise. The Region Picnic was your Director's first event attended following two months of recovery from knee replacement surgery. I plan on returning full time to my duties as Director and thank you all for working together to make this summer successful.

Looking ahead to September we have the Annual Tri-Tour sponsored by the Viking Region coming up in St. Cloud/Monticello MN. This promises to be an event that will be remembered. I hope many of you have signed up and will find this event most enjoyable.

Your director, *John Horvath*

Bergstrom Wrap Up

First of all I want to thank all of those that stepped up to help in my absence. Florida and the Bahamas were great but way too hot! It is nice to know that if one of our members is not able to attend an event that others are there to fill in the voids. I understand we had 93 registrants which, I believe, was a huge increase from last year. If you attended last year, you may recall that Mother Nature was not very kind.

Tom Gawronski

National Geographic

Did the header to this article catch your attention? Maybe it did because you liked the magazine and maybe it did because you want to know what the heck Chevrolets could have to do with it. I guess you will have to come to the October meeting to find out!

PICNIC ROTARY PARK

Thank you to all the members that helped make this a great event once again. We appreciate all that went into the preparation before we could sit down to eat: purchasing food, set up and the grilling not to forget about the cleanup! I think the men enjoy standing around the grill and chatting. I am sure they are talking about Chevy's.

As always the Club came out with many dishes to share and nobody should have gone away hungry. The weather was perfect and many members stayed until close to 4 o'clock enjoying each other's company. If you missed it, you will have to be sure to put it on your calendar for next year.

FALL TOUR

Our Fall Tour is planned for Sunday, October 6th. We will tour Ebert's Greenhouses & Village in Ixonia followed by dinner in Theresa. This will be a passport tour so be sure to have your passports along for stamping. Please watch for more information regarding meeting time and place as well as the restaurant we will be dining at in the October Bow Tie.
