Director's Notes

On a scale from 1 to 10, our first car show of the year was definitely a 10! The weather was perfect and we had a great turn out of cars. Thanks to all who helped and participated. A special thanks to the Andrew Chevrolet's Team and Kyle Oberdorf for making it all possible.

July is going to be a busy month. First it's the Brookfield July 4th Parade. Then it's the National Meet in Flint, July 17th – July 23rd. Plus, at the same time, on July 16th we are to be in the Sussex Lions Daze Parade. So we are in desperate need of cars for this parade, due to the fact that a lot of our members will have all ready left for Flint. So if you are not going to Flint, please sign up for the parade.

Since I am not going to make it to Flint, I hope that all of those who are going will have a safe trip. Please take lots of pictures for our website. Those of us who are not going will enjoy seeing your pictures and hearing your stories.

Your director,

Mike Mudler

Brookfield July 4th Parade

As in the past the parade staging area is located behind the Brookfield Central High School. Line up is at 9:00 a.m. for a 10:00 a.m. start. It is suggested getting there by coming in off of Pilgrim Parkway and then traveling West on Gebhardt Road.

If this reaches you prior to the 4th, come join us!

Help Needed

We have participated in this parade for a number of years and this year, we need all of our member's help!

As of June 26th, only two members have signed up to attend.

The parade will be held on July 16th with line up at 3:00 p.m. The parade will start at 4:00 p.m. With the Anniversary Meet starting the following week and some members leaving already on the Friday before the parade, we need your help to represent our Club.

If you are able to attend the much needed event, please contact Bob Swanson at 262-246-6186.

Andrew Car Show

Mother Nature was much more agreeable this year as we had nothing but +70° weather and sunshine. We registered exactly 100 vehicles for our show this year which doubled what we had last year when the weather was not so kind.

Thank you so much to Kyle Oberdorf and Andrew Chevrolet for setting this event up and to those members that came out to help us and bring their vehicles. Without them, we cannot possibly make this happen.

There were some very nice vehicles at the show this year and we might even have secured a few new members if we are lucky.

SUNSHINE

We recently heard that Gene Schneider broke his leg. He was in the hospital for a time but is back at home now.

We were sorry to hear that Mary Cornell's sister passed away. Our condolences go out to her and her family.

HAPPY TRAVELS TO THOSE HEADING TO FLINT!
