Director's Notes

With the summer winding down, I hope you've had time to enjoy your cars. We have the picnic behind us with a good turn out. It had started out to be a rainy day, but the skies cleared to a beautiful day. I would like to thank our "Grill Master" Tom Griepentrog and his assistants Bob Swanson and Gene Caspersen for a great job on cooking our meat. I would like to thank all of you who brought a dish to pass. My favorite was the root beer floats that topped it off. It was a great way to spend a Saturday afternoon. Let us know what you think of Rotary Park for next year's picnic.

I understand the Tri-City Tour, sponsored by the Packerland Region, was a good time. There was a good showing from our club. Now we have just one more outside activity, the Bergstrom Classic Car Show on September 18th. Please look to volunteer for at least a two hour shift. Contact Tom Gawronski to assist. We would like all members to help as this is an important club event.

**See you all on
 Sunday September 18th
 at Bergstrom Chevrolet.**

Your director,

Mike Mudler

ANNUAL
 PICNIC
 ROTARY PARK

Thank you to all those members that helped with the food purchases, cooking, setup and cleanup! All of those that attended this event are very appreciative of your efforts. The food was great and the company pleasant. The weather was a concern early on but this did not deter the members from coming out for some Chevrolet fellowship.

Luther Manor Car Show

FALL TOUR

Date: September 24th

**Meeting Place: Fleet Farm
(Hwy Q & Appleton Avenue)**

The Caspersen's have once again planned a great outing for us traveling to Slinger, Hartford and Horicon. Those that attend will have the opportunity to view some antique fire equipment, tour some rural parts of Wisconsin and of course do what we do best "EAT"! Dinner will be in Iron Ridge. If you would like to join us, please call Gene or Jane at 262-246-3788 or 262-302-3788

Get Well Soon

The Club has been informed that Wayne Higgins is ill and has been in the hospital. We wish him a speedy recovery.

Thank you

I would like to extend a "thank you" to those that diagnosed my car issue while we were in Flint. The thought was the throw out bearing.

Shortly after we returned, Dave Ehlers was kind enough to swap garages so I could get mine over to him. One night to yank the transmission out and another night to put it back in (not as easy going in as it was out) and I was back on the road again test driving it.

Thanks a bunch, Dave. It is truly appreciated!

We took the Chevelle out for dinner recently and the good news was no grinding noise. The bad news was as we were stopped at a light, I could no longer shift. As I was ready to crawl under the car a "Good Samaritan" stopped, helped direct traffic and diagnose our problem to get us back on the road again. It is great to know that there are still people out there that are willing to lend a hand to a person in need.
